363® FOR LEADERS FACILITATOR REPORT

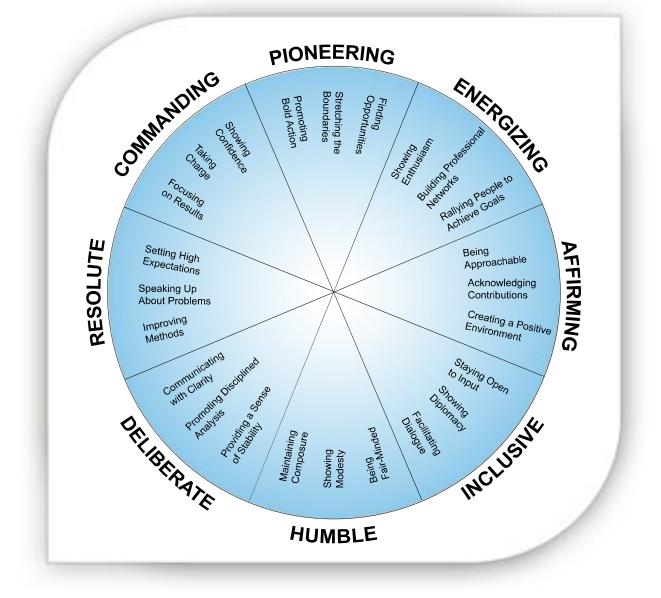

Everything DiSC 363[®] for Leaders focuses on the interpersonal aspects of leadership. The program improves self-awareness in key areas that will help people get better leadership outcomes.

Designed exclusively to use with the *363 for Leaders report*, the *Facilitator Report* brings together **360° feedback** to provide a composite overview of the group. Along with a group summary, the *363 Facilitator Report* includes data by rater type and data by item (accompanied by the leader's name), and each leader's 363 graph.

The *Everything DiSC 363 for Leaders* model (pictured below) illustrates the **Eight Approaches to Effective Leadership.** Each of the approaches is comprised of three **Practices** or underlying components. Effective leaders tend to use a range of approaches.

About This Report

- The report provides group-level data on the **eight approaches** to leadership.
- Leaders are most likely to have strengths in areas that **reflect their own styles.**
- **Group data** is presented in graphs, collectively and with individuals' data identified.
- The group data will help leaders understand which approaches come most and least naturally to members of the group.

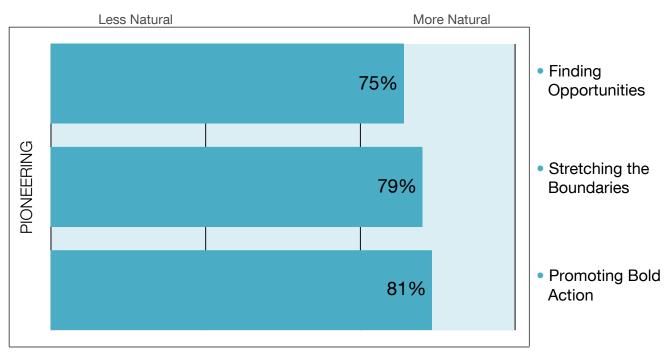

PIONEERING: GROUP SUMMARY

What comes naturally to this group?

For each of the three Pioneering practices, your group's ratings were compared against a normative sample based on the feedback from over 50,000 raters. As a result, a percentile score is displayed for each practice (located on the corresponding bar). This number indicates the percentage of leaders who scored at or below your group's average.

Overall Pioneering Percentile: 78%

Definition key

Pioneering: A pioneering leader encourages the group to think creatively about their options and take chances on new opportunities.

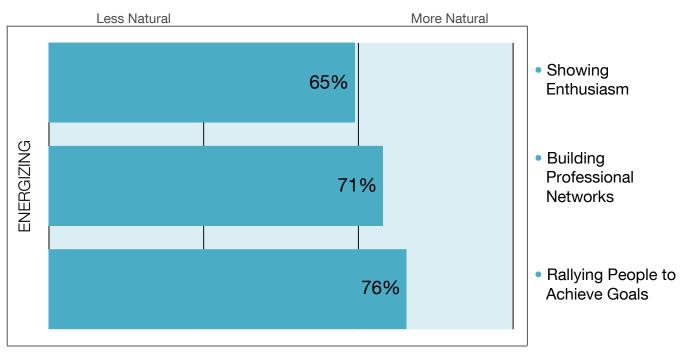

- **Finding Opportunities:** Pioneering leaders are often great at finding new opportunities and directions for the group, and others may admire their ability to uncover new possibilities.
- **Stretching the Boundaries:** Pioneering leaders challenge the group to push beyond their comfort zones, and others may appreciate that they help the group envision a new way of doing things.
- **Promoting Bold Action:** Pioneering leaders encourage people to take bold action, and others may appreciate that they're willing to take chances that could broaden the group's horizons.

ENERGIZING: GROUP SUMMARY

What comes naturally to this group?

For each of the three Energizing practices, your group's ratings were compared against a normative sample based on the feedback from over 50,000 raters. As a result, a percentile score is displayed for each practice (located on the corresponding bar). This number indicates the percentage of leaders who scored at or below your group's average.

Overall Energizing Percentile: 71%

Definition key

Energizing: An energizing leader builds enthusiasm for the group's goals and develops a wide network of professional connections.

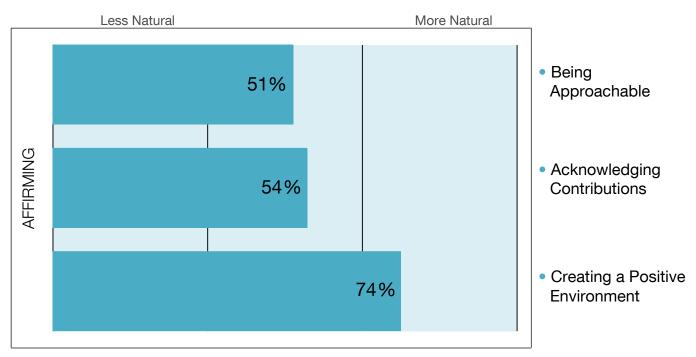

- **Showing Enthusiasm:** Energizing leaders often have a contagious sense of enthusiasm, and others may appreciate that they create a fun, lively environment.
- **Building Professional Networks:** Energizing leaders create a large, influential social network, and others may admire their knack for connecting the group to resources and opportunities.
- **Rallying People to Achieve Goals:** Energizing leaders rally people around new goals, and others may appreciate their ability to bring people together around a vision for the future.

AFFIRMING: GROUP SUMMARY

What comes naturally to this group?

For each of the three Affirming practices, your group's ratings were compared against a normative sample based on the feedback from over 50,000 raters. As a result, a percentile score is displayed for each practice (located on the corresponding bar). This number indicates the percentage of leaders who scored at or below your group's average.

Overall Affirming Percentile: 60%

Definition key

Affirming: An affirming leader is approachable and helps people feel good about their environment and their contributions.

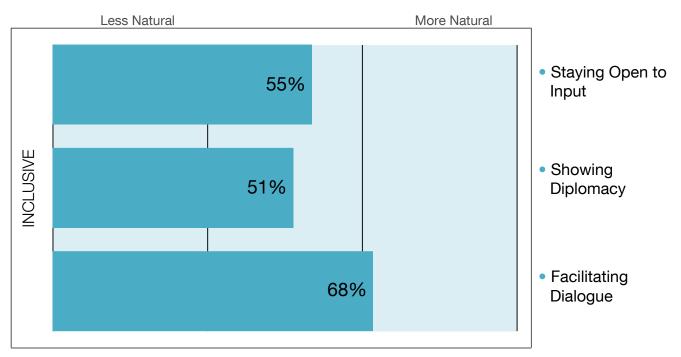

- **Being Approachable:** Affirming leaders often come across as approachable, and others may feel comfortable going to them for help or advice.
- Acknowledging Contributions: Affirming leaders tend to focus on acknowledging the contributions of others, and this makes people feel that their efforts are valued.
- **Creating a Positive Environment:** Affirming leaders tend to be hopeful, and others probably appreciate that they create an encouraging, positive environment around them.

INCLUSIVE: GROUP SUMMARY

What comes naturally to this group?

For each of the three Inclusive practices, your group's ratings were compared against a normative sample based on the feedback from over 50,000 raters. As a result, a percentile score is displayed for each practice (located on the corresponding bar). This number indicates the percentage of leaders who scored at or below your group's average.

Overall Inclusive Percentile: 58%

Definition key

Inclusive: An inclusive leader gets a variety of people involved in the decision-making process and shows concern for their opinions and feelings.

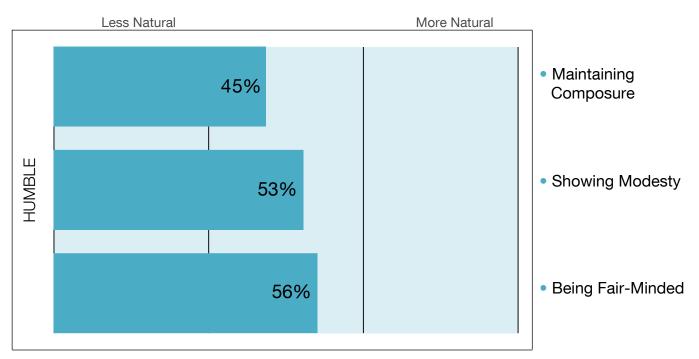

- **Staying Open to Input:** Inclusive leaders show that they're open to input, so people may appreciate that their opinions are taken seriously.
- **Showing Diplomacy:** Inclusive leaders show diplomacy when communicating, and others may appreciate that they show concern for people's feelings.
- **Facilitating Dialogue:** Since inclusive leaders tend to create open dialogue, others may admire their ability to help people find common ground.

HUMBLE: GROUP SUMMARY

What comes naturally to this group?

For each of the three Humble practices, your group's ratings were compared against a normative sample based on the feedback from over 50,000 raters. As a result, a percentile score is displayed for each practice (located on the corresponding bar). This number indicates the percentage of leaders who scored at or below your group's average.

Overall Humble Percentile: 51%

Definition key

Humble: A humble leader maintains a modest, composed demeanor and can be relied upon to make decisions fairly.

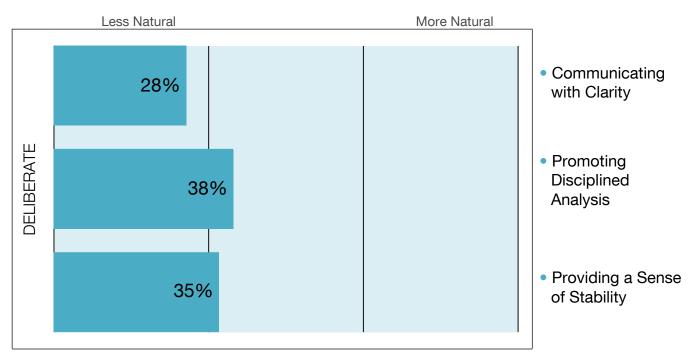

- **Maintaining Composure:** Since humble leaders tend to maintain composure during stressful situations, people may be less worried about delivering bad news or unfavorable feedback.
- **Showing Modesty:** Humble leaders are usually quite modest, and people may appreciate that these leaders recognize their limitations and put others' needs above their own.
- **Being Fair-Minded:** Humble leaders strive to be fair in their decisions, and people may appreciate that these leaders don't let their biases or emotions sway them.

DELIBERATE: GROUP SUMMARY

What comes naturally to this group?

For each of the three Deliberate practices, your group's ratings were compared against a normative sample based on the feedback from over 50,000 raters. As a result, a percentile score is displayed for each practice (located on the corresponding bar). This number indicates the percentage of leaders who scored at or below your group's average.

Overall Deliberate Percentile: 34%

Definition key

Deliberate: A deliberate leader provides a sense of stability for the group by communicating clearly and ensuring that decisions are made carefully.

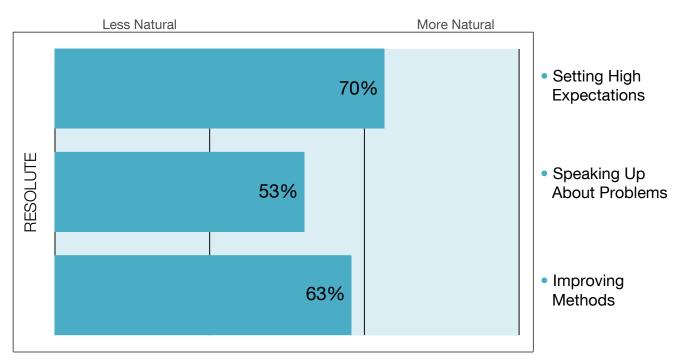

- **Communicating with Clarity:** Since deliberate leaders make a point of communicating with clarity, people don't have to worry about ambiguous or unclear messages.
- **Promoting Disciplined Analysis:** Deliberate leaders insist on conducting disciplined analyses before choosing a direction, so people often see them as good decision makers.
- **Providing a Sense of Stability:** Deliberate leaders strive to create a sense of stability for themselves and the people around them, and others may appreciate having a structure to follow.

RESOLUTE: GROUP SUMMARY

What comes naturally to this group?

For each of the three Resolute practices, your group's ratings were compared against a normative sample based on the feedback from over 50,000 raters. As a result, a percentile score is displayed for each practice (located on the corresponding bar). This number indicates the percentage of leaders who scored at or below your group's average.

Overall Resolute Percentile: 62%

Definition key

Resolute: A resolute leader creates high standards for the group and insists on using methods that maximize efficiency.

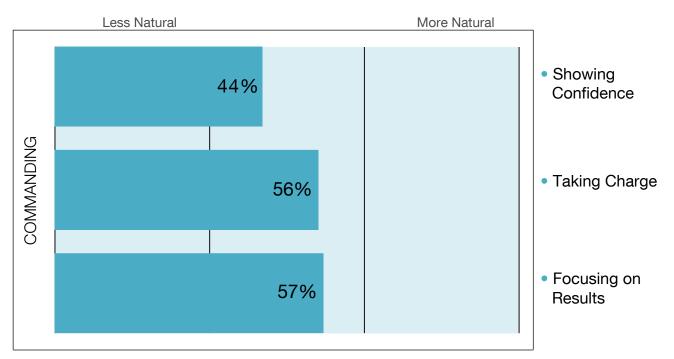

- **Setting High Expectations:** Since resolute leaders tend to set high expectations, others are likely to have confidence that the group will deliver top results.
- **Speaking Up About Problems:** Resolute leaders speak up when the group's processes aren't working, and others may appreciate that they don't let problems slip through the cracks.
- **Improving Methods:** Resolute leaders find ways to improve the group's methods, and others may appreciate how their practical, common-sense approach leads to greater efficiency.

COMMANDING: GROUP SUMMARY

What comes naturally to this group?

For each of the three Commanding practices, your group's ratings were compared against a normative sample based on the feedback from over 50,000 raters. As a result, a percentile score is displayed for each practice (located on the corresponding bar). This number indicates the percentage of leaders who scored at or below your group's average.

Overall Commanding Percentile: 52%

Definition key

Commanding: A commanding leader takes charge of situations with confidence and urges others to get results.

- **Showing Confidence:** Commanding leaders speak and act with conviction, so others are likely to feel assured and confident in these leaders' abilities.
- **Taking Charge:** Commanding leaders tend to step up and take charge when necessary, and people appreciate that they provide direction for the group.
- **Focusing on Results:** Since commanding leaders focus on results, people on their teams may see themselves as part of a productive, goal-oriented group.
